

# For the week of September 6

## Dress Code

Dear Chaparral Parents-

We need your help! If you have not already done so, please familiarize yourselves with Chaparral's dress code policy. This year we have noticed an increase in students wearing clothing that is much too revealing and outside of our dress code policy. We ask that your student store additional clothing in their locker, in the event that a staff member approaches them about a dress code violation. If a student does not have something of their own to change into, we have tee shirts and basketball shorts in the main office for students to wear.

The policy can be found [Here](#) It can also be found in the student planners.

We view educating your student as a partnership and appreciate your support in this matter.
